HANDYMAN TERMS AND CONDITIONS

Opulence Bliss Ltd | Version 1.0 | Effective from: 1 October 2026

These terms are for self-employed handymen and trades who carry out repair, maintenance and installation work through our platform. They include our Cancellation and Suspension rules (clause 9).

1. About us and these terms

1.1 These terms apply between Opulence Bliss Ltd ("we", "us", "our") and each person who joins our platform as a handyman ("you"). We are a company registered in England and Wales, company number 15894675, registered office 128 City Road, London, United Kingdom, EC1V 2NX. ICO registration number: ZC264981. Contact: hello@opulencebliss.com.

1.2 We run an online platform that connects households and businesses in London with self-employed cleaners and handymen. Cleaners are covered by our Cleaner Terms and Conditions.

1.3 In these terms:

- **Job** means a piece of handyman work that a customer books through the platform.
- **Quote** means the price you give a customer for a Job through the platform. It has two parts: **Labour** (your workmanship and time) and **Materials**.
- **Regulated Work** means work that the law says only a registered or qualified person may do, including gas work and notifiable electrical work.

1.4 You accept these terms by ticking the box and selecting "I accept" when you register, or by accepting your first Job. We keep a record of the date and the version you accepted. If you do not agree, please do not join.

2. Eligibility and checks

2.1 You must be at least 18 years old and have the legal right to work or to carry out self-employed work in the United Kingdom.

2.2 Before you take Jobs, we will check your identity and right to work, review your experience, and ask for proof of your qualifications and registrations (see clause 3).

2.3 You must have a current basic Disclosure and Barring Service (DBS) check, which you apply for yourself and pay for, at https://www.gov.uk/request-copy-criminal-record. You must show us your certificate before your first Job. We handle this information as set out in clause 14 and in our DBS and criminal-offence data policy.

2.4 You must tell us promptly if anything you have told us changes, including any caution, conviction, restriction on your registration or loss of insurance.

2.5 We may refuse an application or repeat any check at any time.

3. Qualifications, registration and Regulated Work

3.1 You may only accept Jobs that you are properly qualified, trained, insured and, where the law requires, registered to carry out. You must not take on or quote for work outside your competence.

3.2 **Gas work.** You may carry out gas work only if you are on the Gas Safe Register for the type of work involved. You must show us your Gas Safe ID card and registration number, and keep

your registration current. You must give the customer a gas safety record or certificate where the law requires.

3.3 **Electrical work.** You may carry out notifiable electrical work (work covered by Part P of the Building Regulations) only if you are registered with a competent person scheme, or the work is notified to Building Control as the law requires. You must show us proof of your registration or qualification, and give the customer the right certificate (for example an Electrical Installation Certificate or Minor Works Certificate) and any building-regulations notification.

3.4 **Other regulated work.** This includes, for example, certain water-fittings work, work on fire safety equipment, and work that needs building control or other approval. Where a registration or notification is needed, you must have it and keep it current.

3.5 Without the right registration you must not carry out gas work or notifiable electrical work, however small it seems. If you do, we may close your account immediately.

3.6 We do not allow Jobs involving asbestos, structural work or work at height beyond what you are trained and equipped for, and you must stop and tell us if you find asbestos or an unsafe structure.

3.7 You must keep your documents current and send us renewed copies. We may suspend your account if a registration or certificate lapses.

4. Your status: self-employed

4.1 You are self-employed. Nothing in these terms makes you our employee, worker, partner or agent, and you have no authority to bind us.

4.2 You choose which jobs to accept and when. We do not guarantee any minimum amount of work. You may work for other clients and other platforms, subject to clause 12.

4.3 You use your own tools, equipment and vehicle, and you decide how to carry out each Job, within the standards in these terms and the law.

4.4 You are responsible for your own tax and National Insurance, for registering with HMRC as self-employed where required, and for your own insurance and tools. We do not deduct tax from what we pay you.

5. Quotes and Jobs

5.1 Jobs are offered through the platform. You assess the Job (from the customer's photos, video, description or a visit) and give a written Quote through the platform, showing Labour and Materials separately.

5.2 The Quote must be fair and clear, and you must not exceed it without the customer's agreement. If the Job changes or turns out to need more time or materials, you must tell us and the customer and get the customer's agreement through the platform before you do the extra work.

5.3 A Job is confirmed when the customer accepts your Quote and books a date. Quotes are open for 30 days unless they say otherwise.

5.4 You must arrive on time, work safely and to a good standard, keep the area tidy and respect the customer's home and belongings. You must photograph the work before and after, where reasonable, and keep records.

5.5 You must keep to the agreed scope. You must not do work the customer has not agreed or leave the Job unfinished without good reason.

6. Pay and commission

6.1 **Labour.** We take **25% commission** on the Labour part of each Quote. You receive **75%** of the Labour. The commission is taken from the Labour only. For example, if the labour is £200, you receive £150.

6.2 **Materials.** We take no commission and no mark-up on Materials. You receive back what you paid for the Materials, at cost, as set out in clause 7.

6.3 We pay the payment-processing costs on payments to you. They are not deducted from your pay.

6.4 You can choose to be paid **weekly, every two weeks or monthly**, by bank transfer through Stripe. There is no minimum payout. Each payment shows a breakdown of Labour, commission, Materials reimbursed, tips and any agreed deductions.

6.5 You are paid for Jobs that are completed and paid for by the customer. We may withhold or reduce payment for a Job that was not completed, was cancelled by you without proper notice, or where the customer is refunded because of your breach or poor workmanship.

6.6 We may change the commission or other terms by giving you at least 30 days' written notice. A change does not affect Quotes already accepted.

7. Materials

7.1 For each Job, the Quote states the Materials and their estimated cost. The customer may buy the materials themselves, or pay us for them, in which case you buy them.

7.2 If you buy the Materials, you must keep the receipt and upload it to the platform. We pay you the amount on the receipt, up to the Materials amount in the accepted Quote, with your next payout. We may agree in writing to pay you in advance for larger orders.

7.3 You must buy suitable materials of reasonable quality at a fair price. You must not buy more than the Job needs.

7.4 If the Materials cost more than the Quote, you must get the customer's agreement before you buy them. We pay you the extra only if the customer agrees.

7.5 If Materials are unused, or the Job is cancelled before they are fitted, you must return them where possible and we will refund the customer. If they cannot be returned, we deal with the cost under the customer terms and your clause 9 rights.

7.6 Materials you bought remain yours until the customer has paid for them.

8. Tips

8.1 Tips are voluntary. **You keep 100% of tips.** We take no share and deduct no fees. Tips are paid in your next payout and are your own income to declare to HMRC where required.

9. Cancellations, no-shows and suspension

9.1 We encourage you to **reschedule** a Job with the customer rather than cancel it. A Job moved to a new time that the customer agrees is not a cancellation.

9.2 You have **2 grace cancellations in each calendar month**. We do not charge you for cancelling, but if you cancel a third accepted Job in the same calendar month, we may suspend your account.

9.3 A **no-show**, meaning you do not attend and do not tell us before the visit, may lead to suspension.

9.4 These cancellations do not count towards the limit: your own sudden illness or injury, an emergency involving you or a close family member, a bereavement, an unsafe home or unacceptable behaviour by the customer (reported promptly), transport disruption or severe weather, or a reason beyond your control. Tell us as soon as you can.

9.5 Before we suspend your account, we will tell you why and give you the chance to explain, unless there is a serious safety risk. We will give you written reasons, and you can ask for a review within 14 days.

9.6 **When a customer cancels late.** If the customer cancels and is charged under our customer cancellation rules, you are paid your usual share of the Labour in the same proportion. You may choose to charge the customer less, or nothing. Tell us before the visit or within 24 hours afterwards, and we will adjust your pay and refund the customer.

9.7 If the customer cancels after you have ordered special or non-returnable Materials, we reimburse you for them at cost, with receipts.

10. Standards of conduct and safety

10.1 You must act honestly, safely, lawfully and respectfully. Harassment, discrimination, violence, theft, working under the influence of drink or drugs and any breach of customer privacy are not tolerated.

10.2 You must work safely and follow health and safety law, assess risks before each Job, use suitable personal protective equipment, and report accidents, damage and safeguarding concerns to us promptly. You must follow our Safeguarding, Lone Working and Incident Reporting Policy.

10.3 You must keep customers' keys, access codes and personal information secure and use them only for the Job.

10.4 You must not take away waste unless you hold a waste carrier registration. Otherwise, you must leave the waste with the customer or arrange legal disposal with them.

11. Workmanship guarantee

11.1 You must carry out each Job with reasonable care and skill. You guarantee your workmanship for **30 days** from completion.

11.2 If the customer reports a defect in your workmanship within that time, you must put it right at no extra charge within a reasonable time, usually within 7 days of being told.

11.3 If you do not put it right, we may arrange another handyman to do so, and deduct their reasonable cost from your pay, up to the Labour you were paid for that Job. We will tell you in writing before we do this.

11.4 The guarantee does not cover faults in Materials the customer insisted on against your advice, or damage caused by the customer or another person after the Job.

11.5 This does not limit the customer's legal rights, or yours.

12. Keeping customers on the platform

12.1 Customers introduced to you through the platform are customers of the platform. While you work with us and for 12 months after your account closes, you must not take, or offer to take, work from those customers outside the platform, ask or encourage them to stop using it, or accept payment from them other than through the platform for work arising from a platform Job.

12.2 This does not apply to customers you served before joining us and told us about in writing when you applied, or to work a customer asks you to do after leaving the platform for reasons unconnected to you.

12.3 If you break this clause, we may close your account, withhold unpaid amounts that arise from the breach, and take any other action the law allows.

13. Insurance and liability

13.1 We hold public liability insurance for our business. You must hold your own public liability insurance, with cover of at least **£2,000,000** for any one claim, that covers the type of work you do (including any gas or electrical work), before your first Job and for as long as you work through the platform. You must send us a copy of your certificate when you apply and at each renewal, and tell us at once if it is cancelled or changed. If your cover lapses, we may suspend your account until you give us proof.

13.2 Our insurance does not replace yours, and we do not promise that it covers any claim arising from your work. You must not do anything that invalidates your cover.

13.3 You are responsible for loss or damage you cause by your own negligence or breach of these terms, and you must report any incident promptly.

13.4 Nothing in these terms excludes or limits liability for death or personal injury caused by negligence, for fraud or for anything else that cannot be excluded by law.

13.5 Subject to clause 13.4, we are not liable for loss of earnings, loss of Jobs or any indirect loss, and our total liability to you in connection with these terms is limited to the amounts we owe you.

14. Your information (data protection)

14.1 We are the controller of the personal information you give us. We are registered with the ICO under number ZC264981.

14.2 We use your information to assess your application, check qualifications and registrations, run Jobs, pay you, prevent fraud, keep customers and handymen safe, meet our legal duties and, with your consent, send you marketing.

14.3 We share it only where needed, with payment providers such as Stripe, checking and insurance providers, professional advisers and regulators. We share limited information with customers, such as your first name, photograph, registrations and rating.

14.4 We keep your DBS outcome and certificate date as set out in our DBS and criminal-offence data policy, and do not keep a copy of the certificate for longer than the period in that policy.

14.5 You have rights over your information under UK data protection law. Our privacy notice, available on our website, explains how to use them. If you want to complain to us about how we handle your information, email hello@opulencebliss.com. We will acknowledge your complaint within 3 working days and reply without undue delay, and within 30 days in any case. You may also complain to the ICO.

15. Tax and reporting

15.1 You are responsible for your own tax. UK rules on reporting by digital platforms may require us to share information about you and your earnings with HMRC. You agree to give us the information needed to do so.

16. Ending your account

16.1 You can close your account at any time by giving us 7 days' written notice. We can end this agreement by giving you 14 days' written notice.

16.2 We may suspend or close your account immediately if you seriously breach these terms, work without a required registration, act dishonestly or unsafely, put a customer at risk, make false claims or commit fraud.

16.3 When your account ends, we will pay you for Jobs completed and reimburse your Materials, subject to clauses 6.5, 11.3 and 12.3. Clauses 12, 13, 14 and 15 continue to apply.

17. Changes, complaints and general

17.1 We may update these terms by giving you at least 30 days' notice of changes that affect your pay. If you keep working with us after a change takes effect, you accept it. If you do not agree, you can close your account.

17.2 If you have a complaint, including about a payment, contact hello@opulencebliss.com within 30 days. We will acknowledge it within 3 working days and aim to reply in full within 14 days. Our Complaints Procedure explains each stage. If we cannot resolve a dispute, we will try mediation before either of us goes to court.

17.3 These terms are the whole agreement between us on this subject. If any part is unenforceable, the rest continues to apply. You may not transfer your rights without our consent. Only you and we have rights under these terms under the Contracts (Rights of Third Parties) Act 1999. They are governed by the law of England and Wales, and its courts have exclusive jurisdiction.
